This week in Kindy:

This week in Kindy we have been learning all about our **emotions**. We have been learning about how our faces look and how we feel inside when we show different emotions.

We read the books: The Way I Feel, In My Heart and The Feelings Book.

We created pizzas that used vegetables to show different emotions. Here are some of our creations.

This week we have also loved our outdoor play experiences. We created a river using rocks and spoke about why some boats did not float while others did. We also made cubby houses and created cakes and restaurants in the mud kitchen.

In maths we are continuing to practice counting, learning about our numbers, colours and shapes.

Kindy quote of the week: "Come look at my picture, I am actually a bit on an artist".
