

## Week 4

I found this great picture and thought it was a wonderful reminder for us when the children come home dirty from kindy!

### Important notices:

- Next week we will start object-based oral news telling. A note and a timetable regarding this will be in each student's note holder
- Please ensure the children wear sport shoes on Thursday as we will be working on our gross motor skills on the school oval.
- An information session regarding the TSH testing which was conducted this week will take place at 9:10am on Tuesday 28<sup>th</sup> of March.

### This week in Kindy:

This week in Kindy we have been learning all about our **families**. We have been talking about the people that are in our families and the things we like to do together with our family. We brought in photos of our families and shared them with our classmates. We also drew pictures and painted portraits of our families. We are very lucky to have families that care for us and love us.

We read the books:

In Literacy we are continuing to learn the letters in our name and we are beginning to understand that words can be broken into parts called syllables. In Mathematics this week we focused on the number 2 and the square shape. Here are some photos of our week in kindy.

Kindy quote of the week: "My boogers are so soft I can't get them out".

Email Contact:

If you have anything you would like to discuss with me at any point please do not hesitate to make an appointment.
