

Parents and Friends Meeting Principal's Report - Tuesday 25th October

We have had a wonderful start to the final term. It is good to be back after my illness and I would like to thank the parents and P. & F. for your support and kind thoughts. Pius X truly is a special community and I am blessed to be part of it.

Term four is relatively a short one and we are busy consolidating 2011 work and also preparing for 2012.

BER

This is progressing very well and on target to be completed before Christmas ready for the 2012 school year. Once the demountable is gone we need to consider repairing the oval. In discussion with School Board earlier in the year it is an opportunity to consider restructuring the oval area to utilise space better. I am currently gathering advice from experts and play consultants as part of this planning. Perhaps the P. & F. may consider this a project they wish to contribute to in 2012.

Cybersmart Parent Evening

This will take place in the school library next Wednesday at 7.00pm. It is free and a perfect opportunity for parents to gather information on keeping their child/ren safe with respect to this topic.

Grandparents' Morning Tea

Thank you to the P. & F. for organising this to coincide with Open Classes. It is much appreciated.
